

## HOUSING PROGRAMS IN CLEVELAND

July 2021

## **Public Programs**

Department or Agency	Program Name	Program Description
State of Ohio	Homestead Tax Exemption	The exemption shields first \$25,000 of home's
		value from taxation for qualifying seniors and
		disabled homeowners.
Cleveland Department	Block Grant Development	The City receives funds from the Department
of Community	<u>Program</u>	of Housing and Urban Development (HUD) to
Development		operate programs that benefit low- and
		moderate-income residents, eliminate blight
		and property deterioration, and/or serve an
		urgent need. All projects are proposed in a 5-
		year strategic plan.
	Housing Trust Fund	Cleveland funds a low-level housing trust fund
		with Community Development Block Grant
		dollars.
	Repair-a-Home Loan	This program offers low-interest loans from 0
	<u>Program</u>	to 3% to income-eligible homeowners 30% to
		80% of area median income. Eligible repairs
		include code-related, mechanical, health and
		safety repairs.
	Construction Gap Financing	A pilot program in 2020/2021 to provide
	<u>Program</u>	competitive construction/rehab financing
		assistance for single-family homes under
		\$250,000 in appraised value. The program's
		intent is to close the difference between cost
		of construction and appraised value basis for
		standard mortgage loans.
	Senior Homeowner	Grants to eligible low- and moderate-income
	Assistance Program (SHAP)	owner-occupant seniors and adults with
		disabilities for critical health and safety
		housing repairs.
	Residential Tax Abatement	Program abates 100%, for 15 years, of the tax
	<u>Program</u>	increment over pre-development values, for
		homeowners and developers.
	City Land Bank Program	Resident and nonresident applicants can
		apply to acquire city-held vacant properties
		for reuse, based on review for acceptable use.
	<u>Lead Hazard Control</u>	A City program to assess properties, provides
	<u>Program</u>	grants for hazard control to low-income

		(below 80% AMI) Cleveland families that
		include children under 6 or a pregnant person
		living in homes built prior to 1978. Landlords
		must make a small contribution.
	Section 3 Program	A City program to ensure that HUD
	<u>occitori o i rogitarii</u>	requirements are met for the hiring of low-
		income residents by contractors engaged in
		City construction projects that utilize HUD
		funds.
	Storefront Renovation	The City provides competitive program to
	<u>Program</u>	assist with storefront renovation on
		neighborhood commercial streets. Façade
		renovations may benefit residential units in
		mixed-use properties.
	Destrict Francisco Detect	
	Residential Exterior Paint	Low-income homeowners and tenants can
	<u>Program</u>	apply for up to \$600 in free paint and
		materials to paint their home, labor not
		included.
	Healthy Homes Initiative	The City provides neighborhood specialists
		based at each CDC to assist residents with
		code enforcement, housing assessment, and
		housing program application, information and
		referral, and training and education.
	Emergency Rental	CARES Act and Treasury ERA dollars for
	<u>Assistance</u>	COVID-19 relief are provided to qualifying
		tenants through the Department of
		Community Development, CHN Housing
		Partners, and EDEN.
Cleveland Department	Online Building Permit	Permits are provided for
of Building and	<u>Program</u>	commercial/residential building, electrical,
Housing		HVAC, plumbing, rental registration.
	Code Enforcement	The Division of Code Enforcement enforces
		Cleveland's building/zoning/housing code
		ordinances; enforcement is complaint-based.
	Records Administration	The Division of Records Administration
	<u>rtootiao rtariimioti atiori</u>	maintains records on property history, re:
		violations, permits, etc. Rental registration,
		certificate of occupancy, certificate of
		disclosure required; letters of authorized use
		and code violation are available via records
		request and online.
	Rental Registration	Rental registration is required for all rental
		units unless vacant/unoccupied or rent-free.
		and an est the same and a second control in control
	Lead Certification	All owners of rental properties must prove
	<u>Lead Certification</u>	All owners of rental properties must prove
	<u>Lead Certification</u>	their properties are lead-safe by obtaining an

	<u>Vital Neighborhoods</u> <u>Working Group</u>	City-based working group identifies and implements small scale projects which align with sustainability principles
	Boards and Commissions (various)	Boards and commissions that conduct project and development reviews include the Planning Commission, Zoning Board of Appeals, Landmarks Commission, Neighborhood-based Design Review Boards, and the Board of Building Standards and Appeals.
	Cleveland Lakefront Development	The Cleveland Planning Commission led the Lakefront Development Plan and chose a developer to build a new mixed-use neighborhood on the lakefront.
Cleveland Office of Sustainability	Advanced and Renewable Energy Program	City participates in aggregated electricity program, providing reduced rates to residents and small businesses through combined buying power.
City Department of Economic Development	Neighborhood Transformation Initiative (NTI)	The Initiative focuses on four neighborhoods with the potential to change based on their proximity to thriving neighborhoods: Buckeye-Woodhill, East 79th Street Corridor, Clark-Fulton, and Glenville. It provides programs to support residential development, mixed-use development, small business entrepreneurship, and workforce development.
	Cleveland Impact Fund	The fund includes \$44 million to support mixed-income, mixed-use development in NTI target neighborhoods.
	Brownfields Program	The City facilitates the reuse of brownfields properties through environmental assessment assistance, land banking, and funding/finance/implementation assistance.
Cleveland Department of Aging	Home Repair Resource Guide	A guide to grant, loan, and technical assistance programs for home repair for eligible seniors and adults with disabilities in Cleveland.
	Age-Friendly Home Investment Program	The program provides a low level of grant assistance to low-income seniors and adults with disabilities for one priority home repair.
	Senior Home Maintenance Assistance	The City provides home repair, indoor and outdoor chore services, lawn care, bedbug assistance, and assistance with hazardous tree branch removal, in partnership with Depts of Community Development, Public Works, Consumer Affairs and Law to eligible lowincome seniors and adults with disabilities.
Cleveland Department of Public Works	<u>Urban Forestry Free Tree</u> <u>Program</u>	Cleveland property owners can request a free street tree in the right-of-way in front of their home, to be planted during the spring and fall planting seasons.

	50-50 Sidewalk Repair Program	The City will cover 50% of the cost of repairing sidewalks, driveway aprons, and curbs on residential properties, on a request basis.
Cuyahoga County Land Reutilization Corporation (Cuyahoga Land Bank)	Cuyahoga County Housing Program	6-year, \$30 million program to shift the Land Bank's focus from demolition to housing rehabilitation, homeowner assistance, and jumpstarting the housing market.
	Cuyahoga Land Bank Program	The Cuyahoga Land Bank works with partner communities, including Cleveland, to acquire and dispose of vacant and abandoned properties per agreement with that community. In Cleveland, vacant land may be returned to the City land bank after any structure demolition. Structures may also be rehabbed or sold to rehab developers/contractors/property owners.
	<u>Demolition Program</u>	The Land Bank demolishes severely blighted and hazardous structures, as planned in collaboration with municipalities.
	Deed in Escrow Program	The Land Bank property is sold to small property owners and rehabbers, and the deed held in escrow until rehabilitation is completed according to land bank standards.
	In-House Renovation and Resale	The Land Bank completes rehabilitation with pre-qualified contractors and then sells the house on the private housing market.
	Property Preservation	The Land Bank works with contractors, including offenders in community service, to inspect, secure, and maintain properties to prevent deterioration until a final use can be facilitated.
	Strategic Land Assembly	The Land Bank acquires adjacent lots strategically planned in collaboration with municipalities to create larger parcels suitable for redevelopment initiatives.
Cuyahoga County Department of Development	Housing Enhancement Loan Program (HELP)	Property owners may apply for lower-interest loans for property repairs and maintenance through participating banks. Participating banks include Key Bank and Huntington Bank.
Cuyahoga County Office of Homeless Services	Homeless Services	In partnership with the community, the Office of Homeless Services coordinates a continuum of care including prevention, shelter services and permanent supportive housing intended to prevent and reduce homelessness.
	<u>Housing First</u>	The Cuyahoga County Office of Homeless Services works with partners to provide supportive services to people who are experiencing chronic homelessness, moving people into permanent, stable housing before connecting them with services.

Cuyahoga County	Veterans Assistance	The Commission provides general veterans
Veterans Service Commission		assistance for emergency needs includes rent/mortgage assistance, security deposits, utilities.
	GI Home Loans	The Commission facilitates low-interest, low-down-payment, longer-term loans for eligible veterans and family members. It can also assist with applications.
Veterans Administration (VA)	Homeless Services	The VA works with partners to provide shelter and assistance to veterans experiencing homelessness.
	Veterans Supportive Housing (HUD VASH)	A partnership between the VA and HUD provides housing vouchers and supportive services for eligible veterans and their families.
Cuyahoga Metropolitan Housing Authority (CMHA)	Public Housing	CMHA provides subsidized housing units to eligible low-income families, seniors, and people with disabilities. Properties include high rises, low rises, and family developments, and scattered site units. Residents must apply and pay 30% of income for rent.
	Housing Choice Voucher Program	Rent subsidy vouchers are available to low- income families who pay no more than 30% of their income for rent and can choose the location of the unit throughout Cuyahoga County. Landlords must comply with inspection requirements, and in many communities are not prohibited from turning down voucher holder tenants. The selection of voucher holders is by application and lottery.
	<u>Landlords Program</u>	Provides outreach, training, and assistance to enable landlords to comply with CMHA property and inspection standards for voucher tenants.
	Multi-Family Program	CMHA works with developers to develop affordable housing using Low Income Housing Tax Credits. CMHA is also a pilot location for HUD's Rental Assistance Demonstration (RAD) program, in which public housing authorities may convert public housing into project-based Section 8 housing.

## Nonprofit Programs (Not Exhaustive)

Organization	Program Name	Program Description
